SELEZIONE ANNUALE DI DESIGN SVIZZERO.

Nell'ambito delle attività del Cantone Vaud a EXPO e in linea con la sua tematica alimentare, la mostra presenta una cinquantina di oggetti che migliorano il rapporto tra uomo e cibo, proponendo una riflessione sulla forma del mangiare.

Prodotti industriali, prototipi, packaging e grafica, tutti sorprendenti per bellezza e funzionalità, testimoni della creatività e dell'estetica elvetica che punta all'essenza della forma e a nuove forme di convivialità.

A SPECIAL EDITION OF LES ESPACES DU DESIGN,
AN ANNUAL SELECTION OF SWISS DESIGN.

As part of the events organized by the Canton of Vaud for the EXPO and in alignment with its theme dedicated to food, this exhibition presents about fifty objects that improve the relationship between humans and food, suggesting reflections on its form.

Industrial products, prototypes, packaging and graphics... Each object is surprising in both its beauty and functionality; each is an example of Swiss creativity and aesthetics, focused on the essence of form and new approaches to socializing.
